DETAILED ACTION

1. Claims 4-57 remain allowed, for the same reasons presented on 3/16/2010.

Allowable Subject Matter

2. Claims 4-57 are allowed.
3. The following is an examiner's response to Applicant's comments on the statement of reasons for allowance: The claims are allowed for the same reasons presented in the allowance of 3/16/2010, and are incorporated herein by reference, without change. Applicant's comments are not agreed to and substantially amount to allegation. Applicant's reliance (last sentence, page 2) on the Examiner's statement of reasons as providing support for other unclaimed embodiments is without basis and not agreed to. In any case the issue is moot - the reasons for allowance were stated in view of the claimed invention. Applicants are also respectfully reminded that the Examiner exerted a great deal of effort to assist Applicants, during the course of prosecution. The record does not reflect this line of argument, presented after close of prosecution.
